Tech Mahindra ties up with Gao Feng

Updated: March 20, 2015 14:17 IST | Adith Charlie

Tech Mahindra has tied up with Hong Kong-based Gao Feng Advisory Company, a management consultancy firm, to provide technology services to clients in China and other countries.

As part of this partnership, the two companies will render services around digital enterprise, smart city, connected mobility, airline safety monitoring and remote healthcare monitoring.

Edward Tse, founder and CEO of Gao Feng, said: “The agreement with Tech Mahindra allows Gao Feng to offer our clients a broad set of capabilities beyond those typically found among strategy consultancies, leveraging deep expertise in the area of IoT , enterprise IT, engineering and big data solutions.”

Financial details of the arrangement were not disclosed.
