Tech Mahindra, Gao Feng to launch joint service offerings

Friday 20 March 2015 | 09:34 CET | News

Indian ICT services provider Tech Mahindra has signed a partnership agreement with China-based management consultancy Gao Feng Advisory Company. Tech Mahindra and Gao Feng will join forces to deliver a comprehensive set of services to their clients in China and worldwide. Tech Mahindra and Gao Feng will work together to provide

services such as digital enterprise, smart city, connected mobility, airline safety monitoring & remote health care monitoring, among others. The current partnership is designed to play a significant role in assisting public and private sector organizations to leverage digital technologies to establish global leadership.
